Hi Jeffrey,

I am sorry we didn't keep in touch the last two years. I just wanted to thank you for all amazing things you did for me. I thought I would forget about you if we didn't keep in touch, but I am so grateful to you that it's impossible. I am doing pretty well right now and at least 40 percent of my income is directly related to the things I learned dr you. I am forever grateful. You have been the greatest influence in my life and a very positive one.

I am doing well. I am very happy in [REDACTED]. It is beautiful here, nice weather, lower cost of living and the people are more relaxed. Lots of new yorker's here so plenty of people I can relate too more easily.

I am still with the same boyfriend, very happy. I went to a school for [REDACTED], just finished and passed a board exam. It was a little hard, but after [REDACTED] and [REDACTED] I can do anything :)

I checked out your websites that you made in the last two years. I think it's they are great. Very happy to see great positive stuff you created.

I hope that you are doing well and all the great things you deserve are coming to your life. I would love to keep in touch. I understand that you have a limited amount of free time, but if want I will always be happy to hear from you. You can email me or call me at [REDACTED]

Love always,

[REDACTED]
