I just left Jeffreys. After much discussion I think that the documents will not be fully vetted and ready to sign, until monday night at the earliest. I understand that Larry told Jeffrey that if we wait until next week it should be Thursday. As a sign of good faith, I am willing to send the email that you requested tomorrow. and will trust you that the documents will get signed next week.

I think that Jeffrey did a great job helping us, and what i propose is that we each give him one million dollars as a fee. I hope you will agree. He expects your call tomorrow and will suggest you meet if only for a few minutes in ny this weekend.
