Jeffrey,

This is going to go before the EDA. Wally or his wife Shaun (owner of The Source) will write a complaint to the Commission about you not paying. We can't keep ignoring this in the hopes that he will go away. He is not going to go away.

Additionally, this will end up on John's desk and he would just as soon avoid that. There is no dispute that First Resort did the work and did it well. We do not need this. Let's pay it and be done. We will never have to use him again.

With warm regards,
Cecile

Jeffrey,

Please see the attached default judgment in favor of First Resort Painting. LSJ owes this re the paint job that was done some two years ago and the vendor was never paid. I really, really think you should pay this ASAP.

With warm regards,
Cecile
