Great, thank you!

We would really appreciate a walk-through video of the house and the garden, paying close attention to the bathroom, kitchen and mechanicals as they are all each over 15 years old. Thank you!

Dear [REDACTED],

The house was completed in 1995 with AC and central heating (full floor heating).

The house has been built with the best European technology.

The palace is located in the Palmeraie (Circuit de la Palmeraie, next to the Palmeraie Golf Palace). It is the best place in Marrakech (see Google maps plan – Bin Ennakhil is located on the north of the Palmeraie – show in violet)
