Subject: Question from Lyn and Jojo - Can Tes go to Philippines

Apparently things are not looking good for [REDACTED]
[REDACTED]. They would like to know if it is at all possible for Tes to take some time and go with them. They depart on the 29th September. I asked how long Tes would go for and they said however much time she is allowed if she does get the time. We have [REDACTED] and Janusz covering for Lyn and Jojo. The only new guest we currently have on the schedule for apartments is [REDACTED]'s brother and that is only mid oct.
