Brice is asking for password for your personal cell phone account for cell extenders for Zorro however I do not want him to have password for numerous reasons
Bella has told him to set up new AT&T account locally and Brice says that they cannot open AT&T account in New Mexico which sounds strange
Bella has offered to speak with local store to coordinate
Please advise

The charge was for 3 cell extenders
You can confirm pricing with AT&T
Two cell extenders went to the island
Jermaine can confirm as he programmed them
The other cell extender was installed here under my old LSJ
phone number
Jeffrey requested 2 more
One in master the other in library

Brice,
Last year you bought 3 AT&T repeaters for Main
House. The charge was \$641.97. We never
received a backup for the charge from you.
What was it for? Please provide more details.
Also 3G micro cells were installed by Scott in
2011. Is it same product?

Thank you
Bella
