Subject: Take your first Uber ride for FREE

Hey Jeffrey,

We see that you've yet to take your first Uber trip so we'd like to offer you a **FREE** ride on us! We've also just introduced [fare splitting](#), which makes sharing the cost of Uber among friends super simple.

Take your first ride by Thursday, August 22nd at 11:59pm and your ride is FREE up to \$30. This promo is not valid on uberTAXI.

This promotion is redeemable in any U.S. [Uber city](#), is already applied to your account, and no action is necessary to redeem the discount. Please don't hesitate to reach out to supportny@uber.com with any questions—we look forward to seeing you try out Uber!

All the best,

Uber NYC Community Team
