Hi Lesley,

I hope you are well. Jeffrey would like to set up a Skype call/ or call with Sheri Sable. I don't see her phone number below in her email but hopefully you can connect via email.

Thank you!

Here you go Jeff. Do you want to schedule a Skype call?

Jeff--(ry):

Not quite used to discussing non-profit investments in science by email and LinkedIn...Hope you don't find this off-putting. Anyway--do you have any interest in hearing more about the United States-Israel Binational Science Foundation and our relationship with the NSF for a variety of scientific discovery initiatives (particularly computational neuroscience)?
