Joi,
30 min is plenty; Reid was particularly interested with his Exploratorium hat.

Today is flexible for me between 12-4.

Neil, Jeff and Reid were going to meet one on one at 2PM. We could cut that down to 30 min and do the first part as a tour for Reid. Lesley, can you see if it's OK if Jeffrey and I meet one on one at 1PM for an hour or so and then go to CBA when Reid is off of his call?
Neil, can you do the tour in 30 min?

Danielle,
I believe that Jeff has schedule flexibility around this -- could we move getting together earlier or later, for them to meet?

Following interest from the last time I saw Reid, I'd also like to walk him through labs.

How about starting after his call?

Hi Neil-

Just wanted to let you know that Reid has to take a board call from 1-2pm
tomorrow and he won't be able to join your meeting with Jeff
Epstein.

Please let me know if you have any questions--thanks!
