We come home at the end of August. Manzie & Bechet start school September 3 so we have to be home before then. I hope your summer is going well. Woody is counting down the days until he's back at 118 E. 70th St. I'm loving it here and keeping very busy. We've had a number of people coming to visit and also a number of houseguests. You should've come with us to club 55. It's in St Tropez if you haven't heard of it. I'm sure you have. It's quite a scene. I took Woody and he was quite the hit of the party with all the women in their bikinis. They all wanted pictures with him. I said to him don't let it get to your head. I had to bring him down to earth when we got home because he was on a high.
