Hi Tyler,

ok. I am working right now on free links to the .org website, which is at the top of the 2nd page (don't know if it will stay there though).

Am focusing on organizations that Jeffrey has donated to. I'll send you the list when finished.

Thank you,

Excellent! I want to keep a close eye and think we should reinforce the ones we like with paid links..

Hi Tyler,

The Science website is back on the 1st page and high up. I did reverse the file names a couple of weeks ago but not sure if that's what helped. Anyway, I don't think it should be touched. Hopefully it will settle down now.

there are 3 websites now on the 1st page:

science  
foundation  
USVI
