Mr. Epstein the Hall light installation was scheduled to start today 7/29 due to you return I pushed it back to Wednesday or Thursday when you depart to Zorro due to the scaffold and protection needed on the entrance stairs. The Air Conditioning project will begin on Thursday August 1st for the disconnecting of the cooling tower the replacement of the cooling and Crane lift will be on Sunday 8/4 that is the date the City of New York approved for the lift. The master sitting room and AC-3., I am working on increasing all zones off ac-3 I had AD Winston do RPM readings on the Main supply fan their is room to increase the fan speed with some modifications to the motor drive which will increase the supply air to all zones.
