I liked the answer of this German scholar when he was asked about terrorism , violence and Islam :

He said :

Who started the first world war?
not Muslims ?

Who started the second world war ?
not Muslims ?

Who killed 6 million Jews ?
Not Muslims ?

Who killed about 20 millions of Aborigines in Australia ?
not Muslims ??

Who sent the nuclear bombs of Hiroshima and Nagasaki ?
 not Muslims ??

killed more than 100 millions of Indians in North America ?
not Muslims ??

Who killed more than 50 millions of Indians in south America ?
not Muslims ??

Who took about 180 millions of African people as slaves and 88% of them died and were thrown
in Atlantic ocean ?
 not Muslims ??

No , NOT Muslims!!!

First of all, You have to define terrorism properly...

If a non-Muslim does something bad..it is crime.no one cares about his religion
 But if a Muslim commits the same crime Islam becomes a violent religion and he is a terrorist.!

So first remove this double standard
..then come to the point
