Jeff,
I'm arranging to come for dinner on the 4th.

I've been working on a project with Jeff Koons, would you like me to invite him?

Do you know Gary Shteyngart?

http://www.newyorker.com/magazine/bios/gary_shteyngart/search?contributorName=gary%20shteyngart

I don't, but have been reading him lately.

I could invite Bre Pettis if you'd like to meet him:

<http://www.brepettis.com/>

Do you know Davis Shaw? I could invite him:
