1. im in receipt of the document you sent yesterday as well as the email that you proposed that bill wanted to send out. 2. I want to make my role perfectly clear , and will need confirmation from bill that he agrees . He has invited me to come on Aug 8 for two meetings , i will need the details. time place etc. he has preveiously sent an email authorizing you to talk about employment issues, , i will need a broader authorization as some of these issues you have described are outside of Boriss employment. . I would apprecaite an email from bill acknowlidgin his understanding . I have no interest in putting myself in harms way, (having no good deed going unpunished) . housekeepign items first . 1. i assume that most covenants would be mutual, , melinda and bill would sign . . 2. the severance in the agreeemnt is only one year? is that your new postion? ? 3, I assume Bill is aware that boris would be required to keep some emails to justify his tax positon, in addition a mechanism to prove that that at all times he was acting upon directions and instrctions from bill. 4 the agreement makes no mention of the already existng agreement with re boris investment override. 5. the document changes at will to another type of employment, (why) . , 6. it makes no metiong of bills commitement to help find anohter position. 7, AS boris was told that melinda wanted a divorce over this incident , how does he protect himself from disclousre . 8 . wil need documents that suport your authorization to sign on behof of bg3. , manager binding? if that is the eventaul postion. 9.

Boris is emotionally very fragile. I mentioned this in both of our telephone calls. Can Bill send him an email or something that calms him.?
