Jeffrey,

As you suggested I explored the public school system for the school year beginning September 2013. Fortunately both of my girls were accepted into the Mark Twain public school for gifted children with ballet talent!

In the past you graciously contributed up to \$25,000 per year for private school tuition and summer camp. I would like to ask for your support with the after school programs tuition and summer camp. The total for the year is \$9,000.

As always I am very appreciative with all your help.

Bella
