[10th ped Anniversary.docx](#)

Hi Jeffrey,

Could you approve the attached article?

National Review will publish it. They are tweaking it now. It's on the 10th anniversary of the PED with your name in the headline.

In order to have your name prominently featured, I needed to reference your sentence briefly in the text-- so I did it very briefly at the end.

When I get your OK- I will okay it with them.

Hopefully this will surpass the old press that's on your 1st page.

Thank you,
