And Crazy horse became such as main stream attraction that it would not be that risky.

But no problem – I canceled it.

See you tomorrow!

I will be too tired to do this and wouldn't want to take the risk.

I would have done it when I was younger but I will have to skip it this time!

Have you ever been in legendary Crazy Horse in Paris?

It is one of those erotic upscale elegant shows – it is fun if you have never been.

Tmr night they have a performance starting at 10:45pm.
Our dinner goes through 10pm and it is in the hotel.
Crazy horse is only 5min walk from our hotel.
The performance last only for an hour.

Most likely we can go after back stage and meet some artists as Jeffrey dated few of them.
