How r u?! Dont know if i mentioned it to u that this leg pain has been bothering me few months and got really bad last few weeks so i went to orthopedist. Did Xray. He said its prob just calf strain but I insisted on doing MRI and turned out to be tibial shaft stress fracture...3 weeks of not being able to put any pressure at all on my leg. I have been working out too much..aaah im sad and angry but happy that i found out what was causing the pain...hope u r doing better then me :)))
