it was like nothing was happening? I am concerned that bill thinks the following, 1, you told him silicon valley or new york 2. you would hav to be a partner with kholsa. , 3 you didn't say no to three years severance. you just put that part off 4 he didn't want larry in the mix because from his point of view the deal is almost done, larry could screw it up. , you will stay till sept. if you have to leave you have almost agreed the solution, 4. They might find a better reason to let you go. . must be very very careful . 5. you told him that he should get divorced, that was a good thing, and that melinda would be looked at as the fool.
