This is a very traditional pattern....is this what you are looking for? Because in my opinion it is 180 degree's from where I believe you should be.

Please let me know specifically what I am looking at in the photo(s).

Thank you.

Eric here are some images Jeffrey asked me to send. I included one with the doors so that you can see the approximate scale of the pattern on the rug. Please let me know if you need any further info or dimensions.
