Going to book train unless you'd rather do a helicopter.

Ah, Ok. thank you.

I checked and found out Mori Bldg charter service has a nice private helicopter, designed by Hermes. They fly between Akasaka and Yao (Osaka) with 300 man yen for one way. For your future reference. ;-)

It is about 2 hours flight. They do sogei between your hotel/home and the heliports.

The other companies fly with much less cost, around 10-20 man per hour.

Jeffrey will take a normal train so we don't need to check on private planes or helicopters.
