Hi,

Lawrence is referring to the Webbs site: it's the only one not on the go daddy server. It's in google first position so I didn't want to touch it.

All the others have no dead links.

But I will go back through all of them to correct spelling, references etc.

I have gone over the web site.. there are numerous errors on the site.. people's names mis-listed, and mis-spelled (including my own), links to pages that don't exist... and the conference I organized was when I was at a different university.. I am hesitant to link to to them in their current form.

Dear Mr. Krauss and Jessica,

I hope you are both well. I am in charge of Jeffrey Epstein's media for his foundation and it would be so helpful if we could have a link to his two main websites on your site. The websites represent his foundation. The information to post would be:

Jeffrey Epstein VI Foundation
<http://www.jeffreyepstein.org/>
<http://www.jeffreyepsteinfoundation.com/>

Thank you so much for letting me know if this is possible.

Best regards,
