As in my email to you on Friday, Stark and most of the vendors in the design building were closed on Friday.

I need a wood sample from Eric Roth in order to match the color. He told me he had no one in his office on Friday and could fedex it to me monday overnight to arrive Tuesday morning.

Would you prefer for me to get [REDACTED] to drive me to their office early Monday morning so I can come straight back to the design building and match it up?
