if I ask him what he has done. valdson, certainly doesn't yell at me , he would last 5 minutes if he did, nor does he audit the use of my massage room, ever

How do we make things better? I will try, I promise, I don't think not discussing issues is healthy, so I am at a loss on how to proceed. I have tried to be as gentle as i can, I sent you emails so that you would not react as you have done recently on the phone, I guess it will have to wait until we see each other, Sorry you had a bad reaction. you are the most important person in my life. I love you very much, i am open to suggestions.
