I believe original bid was  $6.75 \times 4000 = 27,000$   
New pricing at 6.25 by either original vendor or other vendor =  $6.25 \times 4000 = 25,000$

Please advise

Have two more prices.  
Original - \$6.75 per square foot.  
Have one at 6.50 and the other at 6.25.  
Have only worked with my tile guy. Last 7 years.  
Will ask him to match prices.
