though two weeks ago when i suggested you find a massage class or something new to learn, , you told me you went to the park with sue, had dinner with the girls went to find frames for the apt. but if i ask ok, what did you try to learn to make our lives together richer, you get upset . and tell me you have no time, . when i try to explain that sex is a delicate subject , and that to keep it fresh we have to communicate and try new things , you ask whether i am bored with you and suggest i have to work harder, you tell me today that again you are looking for a magic sacral cure , I have been consistent for over a year, it takes vibrator, breathing and practice, the reactions develop over a period of time, sue's foot takes six months, The answer again is practice and time and discipline, no miracle answers. If I told you , you can learn to make dentures by sleeping on the book, and the pictures will sink into your head and your hands will then be able to sculpt. and that is by tomorrow morning, you would understand how some of this sounds, I love you, Im not sure why im so unable to explain things, I will try harder,
