Subject: STT Jet Fuel

Jeffrey,

The owner of the Falcon 50 based in St Thomas called me, his name is Shawn,. owns a company in St Thomas that builds computer chips. He wanted to know if we would be interested in doing a fuel deal and split the cost of our own fuel truck for St Thomas to pump our own fuel purchased in St Croix. I told him I was in a meeting and would call him back. just wanted to let you know if there is interest?
I don't see any advantage to us.

thx
Larry
