Mark, Mark. A woman walks into a bar in Texas and see a guy sitting at a table with his feet up. He's wearing cowboy boots and she sees that his boots are really big. She goes up to him and asks "is it true what they say about guys with big feet?" He says, "come back to my place and I'll show you". They go back to his place, make love for a while and when they're done, she says "here" and hands him \$100. He says "Gee, I've never been paid for my services before". She says, "It's not for your services. Go get a pair of boots that fit!"

A guy is watching his wife in the garden bent over the flower beds. He says to her "your ass is as wide as the grill!". Later that evening, while in bed, he starts to get amorous. She says "Oh no you don't!"

He asks "what's wrong". She says "I'm not firing up this big grill for one little weener!"

A young boy is walking past his parents' bedroom one night and looks inside and sees his mother performing oral sex on his father. The kids thinks "and they took me to the doctor just for sucking my thumb!"

I was on the phone with Nancy Millet and she put Essie on the phone.
