Dear Jeff-

I hope this finds you well. Wanted to bring something to your attention that I think would be of interest to you (knowing your background and interest in education).

Last week, I met with my good friend of 30 years, Steven Cantor, who is launching a revolutionary online education platform. (Steven sold his production company to Carlos Slim earlier this year.)

Essentially, they are going to create courses that feature iconic industry veterans coupled with top universities, but they also take place in the real world, making use of Steven's award-winning documentary skills.

The initial launch will feature a film course with USC Film School (they have already met with Steven Spielberg and the Dean of USC) and a fashion design class with Parsons and Marc Jacobs.

This is a for-profit enterprise in one of the most proven and lucrative sectors of e-commerce.

Let me know if you're interested in learning more.

Would also be great to catch up one of these days.

Best regards,  
Daniel
