I have done nothing wrong, 2 I am being asked to do the time for a crime I did not commit 3. I will have to lie to family , friends each and every future biz partner, and inquistive press, each friend , colleuages , for years. I will have this label for the rest of my life. and in return , I I get to keep what i already own. (investment) I get help finding a new job, and get a few million dollars. (after tax).. I have been and will continue to be a loyal friend. loyalty should run both ways.
