I don't think the timing is going to work for me on the test flight, we will do ground test of cockpit checks tomorrow, I am also trying to use another GIV pilot based next door to me at Galaxy who flies a GIV with DU885 installed to help me., if you depart on Saturday, I should be on the airlines heading back to Paris to arrive Friday morning.,
do you think Saturday is a good date for your departure?

thx.,
Larry

Jeffrey,
I'll need to give Paris 48 hour notice of departure with Passenger names and destinations for security, Saturday departure times, Noon to 2:30pm and 4:30pm to 5:30pm.

June 12th -15th airport open for private departures: Noon - 2:30pm and 4:30pm - 5:30pm

GIV test flight is scheduled for Thursday, and Friday to Paint shop in Jacksonville, I'll have Bill Murphy fly the GIV to paint shop for us.
