I will ask [REDACTED] for agency information. You have always been there for me. I'm ready for the train-wreck blind dates and the guy that orders tuna & rice! I will give it a try - maybe Mr. Right is there...

after you promised me repeatedly, after being brought back from san francisco, after flying you to the ranch, after listening to weeks on end of your troubles. You and i had an agreement that i would help you, support you and listen to your woes but it had to be the end. The fact that your dentist is a bad guy is not for me to decide, you are an adult. / you refuse to acknowledge your agreements. I am your best friend, but have no right to say no to your love life. I do have a right to say that moving forward, if you choose to put us all through this for the fourth time, you will have to do it on your own. no apt no job, you are a free person. if you continue to ignore your promises to me, i understand, however it has consequences. if you want to fuck the dentist, i am understanding of the need, but. i cannot stop you from doing bad things to yourself, i can only stop myself from being involved in it any longer.
