2. IGY agrees to renegotiate the Management Agreement as well as pay us the \$2.5M for the overpayment on the purchase price, the \$250K owed, the \$180K error from six years ago and the leasing commissions "earned" on defaulted tenants. .

With warm regards,

Cecile

Jeffrey

I am not sure what the \$180K refers to - please clarify.

I might say something like this as well:

There are \$4.5M in fees that have been paid out over the past six years that have allowed you to take almost 100% of your investment out of this deal. Additionally, this was a non-arms length transaction which makes the level of these fees inappropriate.

1 IGY returns my investment plus interest, and we are only tenants. at fair market. SEEMS LIKE THE BEST OPTION

2. igy pays us 2.5 for the overpayment plus 250 owed. for a total of 3 million and we stay as is. ARE YOU INCLUDING THE INTEREST NOTED ABOVE (\$180K) TO GET TO THE \$3M? TO GO WITH THIS OPTION, WE WOULD ABSOLUTELY NEED TO RENEGOTIATE THE MANAGEMENT AGREEMENT.

3. Igy that has already taken out all its equity walks away, leaves us with the million in cash , and we take over. I LIKE THIS OPTION AS WELL. WITH THE \$700K IN MANAGEMENT FEES THAT THEY WERE TAKING OUT PLUS THE \$1M, YOU COULD DEAL WITH THE DEFERRED MAINTAINANCE ISSUE OVER THE SHORT TERM.

With warm regards,

Cecile

as I see it there are three fair AYH solutions . I it appears we overpaid by a total of 5 million as part of the sun purchase. in addition there is a 180 owed with interest . plus the additonal leaseing issues etc.
I IGY returns my investment plus interest, and we are only tenants. at fair market.
