Dear participants,

Please find attached a zip file with background materials as well as advice for your writing assignment topic. You do not need to read the documents in their entirety, but rather familiarize yourself with them prior to the training. There may be additional materials sent over the next few weeks, as well as specific instructions on where to report on the 17th. Please do not hesitate to contact our office if you have any questions or concerns.

Some important websites and news articles that you also may want to check out:
