Subject: Hi.

Here's the link to the nose guy I mentioned - <http://www.rhinoplasty.com/>
There's lots written about him elsewhere , but there's a technique that isn't as invasive for re-shaping cartilage and trimming down bone from past breaks

which i think is what i have , also puts recovery time for less invasive techniques at 5 days even though with swelling will be longer. Whereabouts are you?

xx
