Read below - is there a different address?

Hello Mr. Eric,

I contacted Fedex first to see if they could deliver to Stanley NM on Saturday and they say it's too remote of a location for Saturday delivery.

So I pulled up Google maps and it looks like it is 35 miles from Santa Fe or 56 miles from Albuquerque.

If Fedex is telling me that we can't deliver there on Saturday, is there a location in either of the other cities where we could deliver on Saturday or do you just want to go with a Monday delivery. And P1 would be at 4:30 in the afternoon.

Please let me know.

Regards,
Cyrus
