This has been so frustrating. One of the most challenging trips so far.

Now in Bangkok awaiting connection to Tokyo and from there seattle. Can't wait to arrive to Seattle.

A plan for tennis changed.

He needed to cancel a box as a French President and few ministers (finance and health) invited him to join their box.

He need to talk to them and they prefer that he joins them to their box – so he will go by himself to their box (I am not joining as well).

Thus – lets meet Monday night for a longer dinner instead. We will have few hours.

Is this OK with you?

Also, I will join him at some dinner with few more politicians/scientists (global fund and HIV) later on Sunday but it should be over around 9:30-10pm at Champs Elysee. Perhaps we could also meet later that night?

Miss you!
