its time to make decisions. I m not sure what you expect of me, You haven't worked really for over a year now. you can stay in you apt until sept 30. I will move you now off of my payroll and continue to pay slk designs and your health insurance. you should tell me what amount you think is fair, . I have not received the pre nup, the save the date. or anything re your marriage that you have suggested was on its way. You can always come back, but it appears you have already left.

you can google the calculation of even temp alimony under ny law, it is 30 % of [REDACTED] income minus 20 % of yours. , assuming he makes 1 million it is approx 300,000 . per year. that is seperate and aprt from child support, moving etc. split of assets grown,

As you know , the southern life is something foreign to me, as long as you are happy i am supportive, should you require want or need anything I am always always there ,
