**Subject:** Phones Update

Good night Roy and Stephanie,  
Innovative has correctly the situation and has just called and stated they monitored it for an hour, and it was clear. It might not hurt to ask Danny to double check our equipment at Caprita Point on the pole when he is available to do so, just to rule rule our devices out of the equation.

Unfortunately,I am restricted from heights such as roofs, poles, etc.. So I can't do it myself.
