[View it in your browser.](#)

We are launching our first 23andMe referral program!

How does it work? It's simple. You refer as many friends or family members as you would like. Once they purchase a 23andMe kit and that kit ships...you receive a \$10 Amazon gift card for each referred friend or family member.

[Click Here For More Info](#) ►

It's that easy, so start referring your friends and family members today!
