Subject: Jeffrey's name on Program's website

Dear May,

I will give you a ring now. I am working [REDACTED] for Jeffrey Epstein's foundation and would like to re-submit our website links onto the Program of Evolutionary Dynamic's website. I would prefer that the listing read:

The Jeffrey Epstein VI Foundation
<http://www.jeffreyepstein.org/>
<http://www.jeffreyepsteinfoundation.com/>

Originally, the link was on the left sidebar on the home page under News & Events.

Please feel free to pass this email onto Martin.

Could you call me if I can't reach you?

Thank you!

Hello,

Please note that I am no longer working at the Program for Evolutionary Dynamics (PED) and won't be accessing this inbox.

If your inquiry is in regard to Martin Nowak or PED, then please contact May Huang [REDACTED] or visit <www.ped.fas.harvard.edu>.

Thank you very much,
Michael Wojcik

PS. I have moved to the Harvard School of Engineering and Applied Sciences <www.seas.harvard.edu>.
