Dear Michael,

I hope that you are well. I am writing from Jeffrey Epstein's Foundation. I could not find a link to Jeffrey's website on the Program for Evolutionary Dynamics site and was wondering if there is a place where it could be posted?

Ideally, the post would have the following:

Jeffrey Epstein VI Foundation
<http://www.jeffreyepstein.org/>
<http://www.jeffreyepsteinfoundation.com/>

Thank you for letting me know if we can get the above put onto the website.

My best regards,

[REDACTED]

Hi Michael,

Thank you for your note. This is great. I didn't realize that Jeffrey's website was already on the site.

We are in good shape! Thank you!

Dear [REDACTED]

Thanks very much for your email!

Currently, we have a link to the Jeffrey Epstein Foundation website featured on the Program's homepage <<http://www.ped.fas.harvard.edu/>>. It is in the left-hand navigation bar under "News & Upcoming Events". The link had been there for a long time, but we had taken it down briefly when we noticed that the website was down. But now it is back up on our homepage.

I'm not entirely sure about all the details, but from what I understand, the Advisory Board and the Faculty Affiliates categories are reserved for full-time Harvard and MIT faculty members, who are nominated by the Harvard Provost. So I'm not sure if adding Jeffrey Epstein's name would be possible, at least under those categories.

Also, I believe there are certain Harvard policies surrounding gifts from donors and reciprocations. But, again, I'm not sure about the details. If you like, I could try to find someone who knows more about the particular policies.

Please let me know if I can help with anything else. Thanks again for your message.

Best wishes,
Michael

Dear Michael,

I hope you are well. We spoke a couple of weeks ago regarding my getting in touch with Martin Nowak. I will follow up with him shortly.

In the meantime, I was wondering if we could get Jeffrey Epstein's name and Foundation onto the Program for Evolutionary Dynamics' website? Either in the Advisory Board or Faculty Affiliates section. For your reference, [REDACTED]

Jeffrey is trying to boost his foundation's websites and a link on Harvard's

network would be very helpful.

The information would be:

Jeffrey Epstein

Jeffrey Epstein VI Foundation

<http://www.jeffreyepstein.org/>

jeffrey@jeffreyepstein.org

Thank you so much for letting me know,

My best regards,
