He is really fun and gracious. I'm a fan.

I have crazy travel schedule, but want to sit down with you and plot. I'm thinking it may be time to invent another platform. What does that mean? Beats me. Mort with US News could be an example. Schwarzman with "Rhodes" type scholarship in China could be another, Paulson with Paulson Institute at Univ of Chicago (training mayors of China) could be another (I'm not sure this one is right for me). Objective is to be able to play the grand game – however I may define it from time to time and even from moment to moment.

I checked with Young David and it appears that Oct 3-4 is exactly due date for baby. Any chance for week before or, even better, week of Oct 13?

Had an interesting meeting with Andy Hall on energy prices.
