I am going to Cannes May 14-27 and booked at The Carlton Hotel.

I am writing my 8th Cannes Diary and personally emailing to every Hollywood exec., film maker and media elite.

I am booked into every film premiere and social event for 14 days and can send you the schedule later...to show all the work I will do.

Then I fly to Venice to the Venice Biennale...just for two days, May 27-29.

Fizzy Barclay (Barclay's Bank) invited me to her dinner on her 300 ft boat on the Tuesday, May 28 and Adam Lindemann will organize me for the opening night on the Wednesday, May 29.

On Thursday, May 30 I fly to London to get to Duxford Airfield in the middle of no where where Clooney is filming "The Monuments Men." I am invited to this very closed set by George and Sony...this is a BIG DEAL. I am working on the film for Dec release. About Nazi's stealing Jews art during WW2. Already have Met Museum and Lauders on board.

If I need a little assistance....will you help me?

All air fare is done. Carlton is done. I have limos, Venice room and amfAR ticket (tax deduct). Any interest in helping a poor Jewess?
