I tried replying a couple of times earlier this evening on my phone but both replies said Sending Failed.

I did not receive any flack from Customs today. After I dropped off [REDACTED]'s magazines at the car, I returned inside of Customs and wanted to wait until [REDACTED] had cleared Customs. After about 10 minutes of waiting around a Customs Officer asked me to leave because there was nothing else that I could do. So I left after they requested me to.
