Hey Jeffrey,

> How have you been? Its been too long..!! i miss you...

> As for me, Ive had much better days..!!! I am having serious issues with the place i live, and they are not willing to renew my lease, plus are looking to evict me asap.. I have court next Monday on May 6th and can't even afford a lawyer..

> I am really nervous and dont know what to do, or where to go to.. The only place available i can try to go to is my grandpas home in staten island which is really a last resort as its tiny and he lives with his wife.. Plus so far away from my life here in the city, work, etc.. I havent been able to get in contact with our friend Leon who I was working with since i got back from Brasil 2 months ago and am really struggling and running out of resources.. Is there any way you could help me with a place to stay at least for the month of may? Or know of anyone who could possibly help me in some way? My birthday is tomorrow and I cant even get excited with this apartment issue making me so nervous... i dont want to be homeless!! :(

> Big kiss.. [REDACTED]

Ps. I attached some recent pictures from your favorite Brazilian sisters.. ;)
The last picture is me and my Brazilian friend who moved to NYC. I've told her all about you and she's hoping to meet you soon!
