How's the Island?

Thank you so much for your generosity in setting me up in one of your apartments. Very grateful and very much looking forward to spending some time in NY.

BUT:

Haven't heard any further from Black. Am wondering how exactly I should prepare. When I should arrive. Etc etc.

The Taj Palace in Marrakesh is no good btw. Beautiful rooms and grounds, but shoddy service, mediocre spa and terrible food. Quite liked the city itself though. Appreciated that we were not getting lambasted for running around in hot pants and short skirts.

Greetings from Germany.
