Thank you Jee.

I am SO CONFUSED about what is going on.

You do not buy house anywhere without all of review. You do not buy much smaller things. He told you that in a last moment like this??????

He gave you only 24h to decide???? This is BIZZARE.

I asked you to be kind to him – not to go to the extent – if it does not sounds good to you – it does not have sense to send Svetlana and Julia by plane.

Sorry re this.

Again – I really do not understand it.

as you asked me to be kind and help steve, He sent me the details of the tuscan house. I sent [redacted] and [redacted] by plane , this morning , leaving me without help . with great trouble to see it. when they are already on the plane on their way i receive a message that says , it must be bought in 24 hrs. Something is very wrong. no one on their right mind buys a house in italy without seeing reviewing , legal details. researching , hazards etc. permissions . environmental, plumneing roofing etc. In the end its not a problem, but thought you should know,
