Hi Jeffrey,

I have been doing the following:

- added all the press to 47 local business directories that you are in.
- updated content on 9 websites (its very important to periodically do this for rankings).
- creating a chart for Darren of NY local science and philanthropy forums
- fixed technical issues for the NY website

I want to do the same for local forums as I did for the business directories.

I will send the list to you and Darren asap for approval.
